Like a flash here comes the grass,
And the flowers and leaves.

Hop on my bike, down the road,
On my way I see a toad!

The Moultonborough Recreation Area includes playgrounds, tennis courts, a basketball court, pickleball courts, a softball field, a soccer field, a pavilion, a sand volleyball court and an ice rink (in winter) all located at Playground Drive off Route 25 in Moultonborough. No parking permits are required.

There is plenty of public parking at the Recreation Area. No vehicles are permitted within the park area. No parking is allowed in front of either gate. Please remember our designated handicap spaces are reserved for that purpose and therefore require a handicap sticker or plate.

The park area (baseball field, soccer field, basketball courts, volleyball court) is reserved for one of our Camp Programs Mondays-Thursdays from June 27 – Aug 11 9:00am-12:00pm.

There are also additional dates it is reserved for other programs, events and/or sport camps. These dates will be posted on the bulletin board by the stairs at the Playground.

Tennis Courts: Tennis courts are available on a first come first serve basis. Court time is limited to one hour when people are waiting. However, **courts will be reserved by the Recreation Dept. for lessons, tournaments and organized activities approved by the Recreation Department.** Please observe the rules of tennis etiquette. Proper footwear and shirts are required on the tennis courts. To protect the court surfaces - roller blades, bicycles and skateboards are not permitted on the tennis or basketball courts.

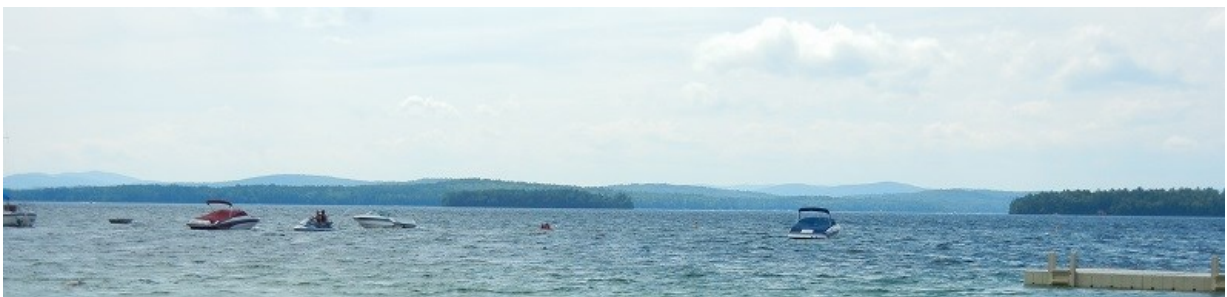

Pickleball Courts: These courts have been established on the Basketball court at Playground Drive. Tennis court #4 is also lined for Pickleball. One sport does not take precedence over the other on tennis court #4 and the basketball court. Court time is limited to one hour if others are waiting to play. The Courts are reserved for the Recreation Department Pickleball Program. See page 8 for details.

Other Parks:

Sutherland Park: Located on Route 25 overlooking Berry Pond. This is a park dedicated to low impact, passive recreation with places for quiet reflection and observing nature. There are picnic tables. There is kayak and canoe access to Berry Pond at this park. No parking permits required.

The Point at Long Island: Located at Long Island Beach, the development of The Point as a low impact, passive recreation area is an ongoing project. There are picnic tables, benches, nature walks, and beautiful vistas, spots for quiet reflection, and observing native species – including the rare, black gum tree. This area is environmentally sensitive.

Current resident beach/landfill parking permits are required from Memorial Day to Labor Day.

The town operates two beaches, **Long Island Beach** and **States Landing Beach**. Long Island Beach is located at the end of Moultonborough Neck Road – over the bridge. States Landing Beach is located at the end of States Landing Road off of Route 109. Vehicles parked at the beaches must display a current Moultonborough Town Beach Parking Permit sticker. The permit can be purchased at the Moultonborough Town Hall for \$20 / permit, which is good for two years.

Lifeguard coverage of Long Island Beach begins in mid-June and runs through late August. During the season, Long Island beach is guarded Monday - Friday from 10am - 5pm and 10am - 6pm on Saturday and Sunday when warranted. Please remember that guard coverage is dependent upon the weather and guard availability. Observe posted signs indicating when guards are not on duty. States Landing Beach is **NOT** guarded and is a “swim at your own risk” facility. No matter whether guards are on or not, adults are expected to watch the children in their care at the beaches. Air mattresses, rubber rafts or boats, “floaties” or water wings, swim bubbles, inner-tubes, inflatable balls or toys, and snorkels are not permitted at our beaches. These restrictions are for the safety of all swimmers.

Summertime Fun

By the fire,
Warming up
Marshmallows toasting.
Better eat it up!

On the beach,
That's where I'm standing
In the sand
Sandcastle making!

In the water,
Swimming away
Bubble bubble
Is that what you say?
